The Drawings submitted on 2/11/2009 have been Approved.

The following is an Examiner's Statement of Reasons for Allowance: The claimed combination found in Independent Claim 1 is very specific and include details of an enabling circuit and of a conduction re-activate circuit. There does not appear to be motivation for modifying the Prior Art of Record so as to meet the claimed combination. Independent Claim 1 and its dependent Claims 2-11 are considered novel and unobvious in view of the Prior Art of Record.

Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to RONALD W. LEJA whose telephone number is (571)272-2053. The examiner can normally be reached on Monday thru Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Elms can be reached on (571)272-2800. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
